Samaritan's Shoe Box Appeal

As we all know we are very lucky to get lots of nice presents from Santa but we have been learning about children in other countries who aren't as lucky as us and we would like to help them. We have decided to take part in this activity as this will help us to become responsible citizens. There are leaflets available for your information in the pre-school department. .

Thank you for your support

Renovations

Once again we would like to thank everyone for their patience and understanding while the work was being carried out. There are only a few outstanding items to be completed but I'm sure everyone will agree it was worth the wait.

It is with deep sadness that Lizz, staff and children will be saying goodbye to Angela Ferguson who is leaving us to start a new life in Belfast. Angela's last day will be Friday 27th November and we all wish her well.

The Ladybird Room-(2-3)

The Ladybirds are all very creative so we have decided to decorate T-shirts in order to raise money for children in need. To enable all children to take part we ask if you can provide a plain T-shirt (any colour)

Focus

November: Transport, we all like to play with the cars in our new room so our activities will be based around our interest in this.

December: Christmas, the most exciting time of the year for children. Activities will include card and decoration making.

The Busy Bee Room-(3-5)

The Busy Bees will be raising money for children in need by having a pyjama party, this is when we can come to Nursery wearing our pyjamas and donate £1.

Focus

November: Frogs, we have found some frogs in the garden and will be finding out more about them.

December: Christmas, we will be looking at how other children in the world celebrate Christmas.

The Caterpillar Room-(0-2)

The Caterpillars have decided that as they are the best bakers, they will hold a home baking sale; these delicious cakes will be on sale in the baby room throughout the day.

Please note that as the weather is getting colder could we please ask that the children bring hats, scarves and gloves to Nursery. This will enable them to continue to take part in outdoor activities. (Especially when the snow arrives).

Merry Christmas

And

A Happy New Year
